VALUE ADDED TAX

ADVICE OF REGISTRATION

You are registered for Value Added Tax purposes and your VAT number is

IE 9666669J

with effect

This number should be quoted as required on invoices, settlement vouchers, etc., and on customs declarations.

You are accountable for tax on the basis of invoiced sales and services.

Returns due

By the 19th. day of the month following the end of each two-month taxable period (January/ February, March/ April and so on), furnish to the Collector-General on the prescribed form (VAT3) a true and correct return for the period showing the amount of VAT due by you and the amount of VAT deductible by you.

Traders are also required annually to supply a return of trading details which is a breakdown, by VAT rate, of the year's trading.

It is important that a form VAT3 issued to a trader in respect of a particular taxable period should not be used for any other taxable period, nor should it be used to cover more than one taxable period.
